

## Wesley News

*Diane Fuchs, Director*

Hello Parents!

It's hard to believe that we are in February!! This school year certainly is going quickly.

As you know, the staff and I take the health and safety of your children very seriously. I would like to thank you all for your support of our policy changes over the last month. I am very much looking forward to spring as I am sure you are too!

During the month of January we had several weather closures. I plan on sending school-wide emails as I have in the past in case of a closure or delay. However, you can also get a text right to your phone from WFSB by signing up for alerts. Go to:

<https://wfsb.com/weather/sign-up-for-closings/>.

You will need to scroll down to Fairfield County schools and look for Wesley Learning Center. Once I post the event, you will get a text message – no looking for emails from me or your teacher.

I would like to remind you that it is extremely important that the office have all current phone numbers where you can be reached in an emergency. If your phone number or contacts have changed since you filled out your initial forms, please be certain to let the office know. Please put all changes in writing and make sure your child's name appears on the papers. Thank you for your cooperation.

Lastly, later this month we will be sending home information on a coffee fundraiser with BD Provisions of Newtown. We hope you will consider supporting our efforts.

Please remember if you have any questions or concerns, you can reach me by email at [wesleyfuchs@gmail.com](mailto:wesleyfuchs@gmail.com) or call the school office between 7:30 am and 1:30 pm at (203) 426-6149.

Just A Note To Let You Know...

Last month the staff and I did a professional development workshop on Occupational Therapy and Speech / Language Development with Kidsense Therapy Group, LLC from Danbury, CT as part of our continuing education hours. If you have any concerns regarding your child's speech or motor development, please talk to your child's teacher. We would be happy to give you their contact information regarding evaluations. They are a great resource to turn to should you have concerns.

One final note. If you have been paying tuition monthly and made your initial payment in June 2021, you should be making your 7<sup>th</sup> payment this month!! Since we do not bill monthly, please check to make sure your account is current. If you have any questions, please contact Mrs. Tani and she will be happy to assist you.

*Enjoy Winter Break!*

**Monday & Tuesday**  
**Feb. 21<sup>st</sup> & 22<sup>nd</sup>**  
**NO SCHOOL**

## PARKING LOT SAFETY

Please keep in mind that we have many people coming and going at various times throughout the day; many of them carrying babies or holding onto toddlers. Please drive slowly...take extra care and caution maneuvering in the parking areas. Check all directions before backing out of a parking space.

Please remember to hold your child's hand when leaving the building.

please

NO RUNNING ON  
THE HANDICAP RAMP.....

## CONNECTING HOME & SCHOOL

Children benefit tremendously when you help them bridge their two most important worlds.

As a parent, you are the major provider of your child's education from birth through adolescence. You guide the development of their character and mental health and help form the foundation from which they will develop lifelong attitudes and interests. And because your home is the primary environment in which your child's potential and personality will take shape, it's important to make sure that you create a positive, open atmosphere that will not only support what goes on in the classroom, but will also instill the desire to learn.

It is through your love and encouragement that your kids will become motivated – first to please you, and then to please

themselves. This leads to self-confidence, curiosity, the enjoyment of mastering new tasks, and other healthy attitudes, all of which contribute to successful learning.

When parents and teachers work well together, everyone benefits. Parents and teachers can provide each other with unique insight and different perspectives about the same child, culminating in a more complete understanding of that child, their abilities, strengths, and challenges. The teacher will know much more about the curriculum and the school culture, while you know more about your child's personality, tendencies, and family life. A successful parent-teacher partnership also shows a child that an entire team of adults is on their side.

Conferences will be held on  
Friday, April 8<sup>th</sup>  
**NO CLASSES ON THIS DAY**

Happy Spring Break

NO SCHOOL  
APRIL 11<sup>th</sup> - 15<sup>th</sup>

***Don't forget to send back your Registration Forms for 2022 - 2023 to secure your spot.***

***\*NOTE: If you refer a new student to Wesley to begin classes in September 2022; you will receive a \$ 100. reduction in your tuition (the referral's tuition must be current and paid to date) - Please tell all your friends and neighbors about Wesley and have them call us for additional information and a school visitation.***
